

# Church of His Presence Tither's Blessing

## **Congregation Proclaims:**

This is my tithes. It will do what God says it will do. The windows of heaven are open over me and my house, and such blessings have been released I don't have adequate room to contain them all. I am of the seed of Abraham, and the oath God swore to him is my inheritance. Therefore, I release my tithes and offerings into the fertile soil of Church of His Presence.

## **Pastor Blesses:**

In Jesus' Name, I decree that abundance will overtake you. Satan must pay back all that he has stolen from you. The walls of your home shall resound with laughter and joy at the sudden blessings that shall come. God is going to give you a catalog of extraordinary testimonies to share. Money will find you unexpectedly. I call forth jobs—not just any job—but jobs with benefits, raises and bonuses for those who need them. I speak that Holy Spirit will reveal mysteries to you and give you God-ideas and witty inventions. I release God's angels to minister on your behalf. Let it be known that we unashamedly stand by Israel and pray for the peace of Jerusalem. The Bible declares, "they shall prosper that love thee," therefore, I boldly proclaim that this house is a modern day Goshen—a place of safety, provision and a place where God's Presence dwells! I bless you in Jesus' Name!
