

Tither's Blessing 1

I proclaim financial increase upon you and your house. I call in jobs for those of you who are unemployed. I call in better jobs for those of you who desire and need them.

I bless you for a breakthrough where what has been clogged up and restricted will begin to normally flow again. Because of your obedience in His tithe and offerings, I declare God's favor to be upon you so that those things that have been tied up in the courts, such as inheritances, settlements and estates, be released so you may enjoy what God means to be rightfully yours.

God has stated that He wishes you to prosper so, therefore, I speak a blessing to come upon those of you who work in sales and commissions, that deals and opportunities be attracted to you and that God prosper you in an extraordinary way.

I speak over this giving congregation that opportunities for advancement will come to you. I also call forth raises and bonuses as needed. I call back to your residences, wallets and bank accounts what Satan attempted to steal from you as with Job in the Bible. I speak that you be restored double what was lost or stolen.

Because the Lord rejoices over His children and He delights to see us happy and blessed, the Lord will cause you to find money unexpectedly. He will bless you and surprise you with unexpected checks in the mail right out of nowhere!

For those of you that God has blessed as entrepreneurs, may your mind be inspired with God ideas and inventions so that you can prosper.

For those of you who own your own businesses, blessings be so abundant that your company can bless its employees with good pay and package benefits.

I speak a spirit of abundance upon this congregation that God miraculously bring you out of debt so that the stress of debt and the burden of debt will release your minds and that you come into a new peace and a new reality of financial freedom so that you and your house may serve God in newness and joy!

May you and your house begin to enjoy plenty so you may give liberally and generously in offerings as well as alms to the poor.

I bless you in Jesus name!

Now come and bring your tithe and offerings into this storehouse.
