

TITHER'S BLESSING

DELIVERED BY PASTOR JOHN KILPATRICK
2017 EDITION
CHURCH OF HIS PRESENCE, DAPHNE, AL

CONGREGATION PROCLAIMS:

THIS IS MY TITHE. It will do what God says it will do.

The windows of heaven are open over me and my house, and such blessings have been released I don't have adequate room to contain them all.

I am of the seed of Abraham, and the oath God swore to him is my inheritance.

Therefore, I release my tithe & offerings into the fertile soil of Church of His Presence.

PASTOR BLESSES:

IN JESUS' NAME, I speak that abundance will overtake you. Satan must pay back all that he has stolen from you.

The walls of your home will vibrate with shrieks of joy and sounds of laughter at the sudden blessings that shall come. God is going to give you a catalog of extraordinary testimonies to share.

Money will find you unexpectedly.

I call forth jobs—*not just any ol' job*—jobs with good pay, benefits, raises and bonuses. I'm talking about jobs with good bosses and good co-workers where you will fit in; a job where you will be happy and a job with a future.

I speak that Holy Spirit is going to reveal mysteries to you and give you God-ideas and witty inventions.

I release God's angels to minister on your behalf.

And because of the tremendous price that Christ paid at Calvary, I boldly declare over you this day: divine protection from acts of violence, inclement weather, accidents, life-threatening sickness and diseases, such as cancer.

Let it be known that Church of His Presence unashamedly stands by Israel, and we pray for the peace of Jerusalem. We also declare that special blessings will come upon America—as well as President Trump—for being a faithful friend and defender of Israel. The Bible declares, "They shall prosper that love thee."

Therefore, I boldly proclaim that this house is a modern day Goshen—a place of safety, provision and a place where God's presence dwells!

I BLESS YOU IN JESUS' NAME!!
